# Foreword

It is with pleasure that we present to you "The Rattler of 1948". We hope that you will enjoy recalling these scenes as much as we have enjoyed our part in presenting them, and that in years to come they may bring back pleasant memories of our high school days.

## Treasured Memories

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are publishing 1948 Annuals for more than 900 Colleges and High Schools. This patronage indicates a wealth of ideas and service which has no doubt made possible the long record of our school annual achievement.
